

Bolton Refuge House, Inc

APRIL 2021 NEWSLETTER

Total actions 340

April Actions:

The graph above shows how many people visited our website, placed a call, or requested directions from our listing. *

*This graph does not show all of the people who called us or visited our website; it only tracks those who found us through Google.

Google Views in April: 2140

This number refers to how many times people clicked onto our listing, either on Google Maps or from a Google search

Calls from Google My Business: 137

This number refers to the amount of calls placed from the Google My Business listing (using the call button while on a smartphone). This number is not the total number of calls that the agency received.

April LAP Data:

Total Calls: 10
High Danger: 9
Not High Danger: 1
New to Program: 10

**The Lethality Assessment Protocol, or LAP, is a tool that helps police officers and other crisis responders to put victims in contact with us almost immediately after a domestic violence incident. Officers or responders use the lethality assessment to determine how much danger the victim is in in their current situation. If they conclude that the risk of lethality is high, the responder will call us and an advocate will speak with the victim, inform them of our services, and set up a time to call back for a more in-depth conversation.*

VOLUNTEER HELP NEED:

Childcare Volunteers Needed

Providing child support is a constant need at BRH for the families who use our services. Volunteers can get involved by offering time to watch children during daycare times or facilitating group activities with children and/or their families.

Be a Part of the Fall Gala Planning Committee

Bolton Refuge House hosts an annual Fall Gala to raise funds for the organization and awareness of our cause. Volunteers can get involved with this important event by becoming one a member of the planning committee. The planning committee will work together to coordinate the silent auction and other creative events at the Gala.

Thank You! Bolton Refuge House would like to give a huge thank you to the teens and young adults in the Chippewa Valley Fresh Start Program led by their talented volunteer coordinator Justin. They helped BRH clean out our patio area, reorganize our children's room, and some heavy furniture lifting and moving in one of our Transitional Living Project Houses.

Donations are welcome!

- Lysol
- disinfecting wipes
- rubbing alcohol
- Towels
- face masks (disposable or handmade)
