Not High Danger: 1
New to Program: 10

A graphic for the Toy Drive featuring the words "Toy Drive" in a large, bold, serif font, centered within a circle of short, radiating lines. Below the graphic is a paragraph of text.

We are getting ready for the Holidays! The annual MisFit Toy drive is accepting unopened toys/gifts for all genders and ages (babies, teens, and adults!) Please DO NOT wrap the gifts. If you would like to provide us with wrapping paper and tape that would be best.

Donation suggestions:

Disinfectant, disposable gloves, Thin towels, thin wash clothes, disposable masks, 91% rubbing alcohol

Leaf Removal

Leaves are accumulating around our building. We'd appreciate help cleaning that up.

Snow Removal

If you or anyone you know has the ability to plow our parking lot and/or shovel our sidewalks at the Farwell shelter and our transitional living project, please connect with us!

Donations

We could use help picking up, counting, and sorting donations every Monday and Friday. Please contact me to get trained on this task.

Recycling

Our recycling needs to be taken to the recycling center on Saturday mornings.

Misfit Toy Drive

During the holidays, we will be hosting our misfit toy drive for children of all ages. You can help by either setting up the drive, supervising the drive, or donating new/unopened gifts. More details to come.

All inquiries or questions about volunteering can be directed to
